

SOUTH PARK

BUSINESS IMPROVEMENT DISTRICT

Happening in South Park:

SOUNDS OF SOUTH PARK
SERGIO SNOW
6-8 PM, FRIDAY, AUGUST 27
SOUTH PARK COMMONS
1120 S GRAND

FRIDAYS: Sounds of South Park

Thanks to [AVEN](#), [WREN](#), and [Mack Property Management](#), Sounds of South Park will continue every Friday at South Park Commons, from 6-8 PM. This Friday we'll have [Sergio Snow](#) performing.

L.A. LIVE Summer Series - Wine Wednesdays

Take advantage of Wine Wednesdays at L.A. LIVE in September! Every Wednesday, select L.A. LIVE restaurants will be offering 50% off glasses and bottles of wine. Find out more about Wine Wednesdays and the rest of the Summer Series [here](#).

DTLA Marketplace in South Park

Join DTLA Marketplace at the corner of 11th & Olive St every Sunday in September from 11 AM-4 PM for food trucks, performances, music, and paint and sip! Find more information [here](#).

Nominations now open for the 2022 Board of Directors

Every year the SPBID Board of Directors holds elections for the following year. If you are a property owner or their representative, you can nominate yourself or a designee to the 2022 Board of Directors. Click [here](#) for more information and to submit a nomination.

8/31: Grand/Olive Bus Priority Lanes Project community meeting

The Grand avenue and Olive street bus priority lanes project would add bus priority lanes on weekdays from 7 AM to 7 PM along segments of Grand and Olive street. Click [here](#) to learn more and join the zoom meeting on August 31.

Upcoming Events at HiDef Brewing Company

For fans of local makers, HiDef is hosting [SoCal Chicas Market](#) on Sunday, August 29th from 12-5 PM. If you're looking for more weeknight events, they're also starting Tuesday night trivia on August 31st. Check their [Instagram](#) for details on both events.

Updates from the BID:

9/1 SPBID Infrastructure & Planning Committee Meeting

September 1st the SPBID Infrastructure & Planning Committee Meeting will meet virtually. Board & Committee meetings are a great way to get involved with the BID's work. The Infrastructure & Planning

Committee focuses on projects like transportation, open & park spaces, and street furniture. RSVP [here](#).

The High Cost of Wide Streets

Bloomberg CityLab

What else could be done with all of that land if it wasn't locked up in often-empty asphalt? For one, cities could use it for bike lanes, transit, or green spaces, as many already are. It could also be used for housing, Millard-Ball believes [...]
